### Dear Reader

After IFAT 2020 had to be cancelled due to the pandemic, it will finally take place again after a four-year wait from 30 May to 3 June. With this issue of the HUBER newsletter, we are giving you an introduction to what you can expect from us at the world's leading trade fair for the water and wastewater industry in Munich.

In hall A2 at stand 351/550, we will show you on 1,100 m<sup>2</sup> our innovative [solutions of products and services](#) in the fields of drinking water supply, wastewater treatment and sludge treatment. In addition, as usual, we offer [excursions](#) where you can experience our technology in use.

I would be pleased to welcome you at our stand and to have the opportunity to enter into a personal exchange with you again.  
In the meantime, all the best, stay healthy and enjoy reading!

Sincerely yours,

Georg Huber

## PRODUCTS AND SOLUTIONS

### **The HUBER Multi-Rake Bar Screen RakeMax® – a success story with more than 3000 installed machines**

RakeMax® number 3000: In the course of its almost 20-year success story, the HUBER Multi-Rake Bar Screen RakeMax® has become the flagship among screens and screening plants. Special milestone: the 3,000th machine has already left the company headquarters in Berching.
