

First turnkey solar sewage sludge drying plant in Jordan

At the beginning of 2024, HUBER and MENA Water succeeded in winning the first project for solar sewage sludge drying in Muta Mazar, Jordan. The construction time to commissioning was just ten months, meaning the turnkey plant was completed in record time.

HUBER NEWS

EDITION 6 | 2024

Georg Huber,
CEO

Dear Reader,

Another year is drawing to a close and we look back on the past few months with gratitude. We were able to complete many exciting projects, master a number of challenges and gain valuable experience along the way. The trust placed in us by our customers and partners and the resulting pleasant and successful collaboration are at the heart of our success. I would like to express my sincere thanks for this.

For the remaining Advent season, I wish you and your family many reflective moments, a wonderful and harmonious Christmas and relaxing holidays.

Have a healthy start to the new year! We look forward to being there for you again in 2025.

Stay with us!

Yours sincerely,
Georg Huber
